## Results

Congratulations to all of the athletes who competed in the 2008 Ohio Senior Olympics State Games! You have proven that you are a winner just by participating. The results for this year's game are included in this book; this book is also available on the Ohio Senior Olympics website, [www.ohioseniorolympics.org](http://www.ohioseniorolympics.org) as a portable document file. You can find results from the 2004, 2005, 2006 and 2007 games on the website as well.

As you know the 2008 games were a qualifying event for the 2009 National Senior Games: the Senior Olympics-presented by Humana. Athletes who qualified for competition were sent notification at the end of August. The names of those athletes have also been submitted to the National Senior Games Association. The qualified athletes will receive registration materials for the 2009 National Games directly from the NSGA. Registration Information for the 2009 games will be available shortly at [www.ohioseniorolympics.org](http://www.ohioseniorolympics.org).

The 2008 State games were made possible with the help of the sponsors shown to the right. PLEASE take the time to write your note of thanks to the sponsors. We couldn't put on the games without their help.
